How much does Chiropractic care really cost?

- ▶ The cost of your care will depend on a number of factors:
 - ❑ The type of adjustments you may need
 - ❑ If your care plan requires additional therapies like Traction or Exercises
 - ❑ How often you need to receive treatment to achieve the desired results
 - ❑ Your insurance plan
- ▶ On average our visits run from free (with your insurance covering 100% of your care) to \$60 (with no insurance and both an adjustment and therapies being administered)

How can I reduce my costs?

Our office often says “if you are willing to work with us, we are willing to work with you!” If for any reason you are concerned about the cost of your care, speak with us and we will adjust your care plan as needed. If the difficulty is with your insurance plan’s lack of coverage, we can help you apply for a reduction of your costs based on income. We’ve worked with patients with any number of financial concerns and can absolutely help you over

What payment methods do you accept?

- ▶ All major credit cards (Visa, Mastercard, American Express and Discover)
- ▶ Checks
- ▶ Cash
- ▶ Health Savings accounts

Additionally we also offer:

- ▶ Care Credit
- ▶ The Help Card
- ▶ Interest free, flexible payment plans through our office using any credit card

What about insurance?

- ▶ We are in network with all of the major insurance providers
- ▶ As a part of our complimentary consultation we can reach out to your provider for you and learn exactly what is and isn’t covered
- ▶ We work hard to ensure your course of treatment will not exceed any insurance coverage you may have.

Meet Dr. Cutitta

Dr. Cutitta has been practicing chiropractic care since 2004. After seeing how chiropractic care helped his parents, he wanted to provide the same care to his own patients. He is committed to providing excellent care and helping his patients achieve optimal health and well-being.

Through years of experience, Dr. Cutitta can pinpoint the source of a patient’s pain. “We can pretty much treat every joint in the body - head to toe”. Though his primary complaints are headaches and backaches, Cutitta Chiropractic has treated patients with injuries and pain in all areas of the body.

Our office

In addition to providing excellent care, our office is dedicated to helping in the local community. Through continued community outreach, including lectures, pamper events and fundraising opportunities, he tries to give back as much as he receives.

If you have any questions for our office, don’t hesitate to ask us! We always want to keep communication open between ourselves and our patients, and genuinely care about every question we receive
